

**MINUTES OF THE MEETING OF WALLERAWANG QUARRY  
COMMUNITY CONSULTATIVE COMMITTEE  
HELD AT 191 MAIN STREET, LITHGOW NSW  
ON 5<sup>TH</sup> JUNE, 2014**

**PRESENT:** Les Bird, Lance Gillespie, John McAuley and  
Lauren Stevens representing Lithgow Council

**APOLOGIES:** Howard Fisher  
The meeting was informed that the notice of meeting had been sent to Paul Curran and Brad Boyling. Apparently Mr Boyling has changed address as his notice and envelope was returned unopened. They should be contacted regarding future meetings.

**CHAIRPERSON:** In the absence of Mr Fisher the meeting agreed that Lauren Stevens be appointed temporary chairperson.

**MINUTES OF  
PREVIOUS  
MEETING:** Minutes of the meeting held 23<sup>rd</sup> June 2011 were previously distributed for approval.

**BUSINESS  
ARISING:** TEMPORARY ENTRANCE  
The meeting expressed its wish to review the Traffic Management Plan for Temporary Entrance in the interests of public safety.

The Traffic Management Plan was drawn up in accordance with the requirements of the RTA and was subsequently approved by the RTA.

A copy of the Traffic Management Plan is to be distributed to the meeting attendees.

The conceptual drawings for the new entrance have been accepted by the RMS. A copy of these drawings are also to be distributed. Section drawings are in progress.

FENCING  
Mr Bird commented that the fencing should have been the first step in the development.

The fence line has been cleared.

QUARRY DEVELOPMENT  
The meeting was informed the development phase was underway and that a site inspection would be desirable to enable members of the committee to make their assessment.

QUARRY DEVELOPMENT (Continued)

To this end it was agreed that the members of the committee meet at the quarry entrance gate at 12 midday, Tuesday, 17<sup>th</sup> June 2014.

Site inspections have been carried out by the EPA and Mineral Resources.

The meeting was informed that survey drawings have been made of the site for planning purposes. These were tabled at the meeting.

Further geological work was also being carried out including test drilling.

Mr Bird indicated he could hear from his house the warning Indicators on the machinery and use of a different sound system pitch could be looked at. The contractors will be contacted as to his concerns and be asked for their comments and action.

A pump out system will be used for sewerage disposal.

A water truck is being used for dust suppression.

The bursia bushes at two points have been protected as required.

**NEXT MEETING:** To be held 4<sup>th</sup> September 2014 at 5.30pm  
The agenda is to be forwarded with these minutes.

**CLOSE:** There being no further business the meeting was closed at 6.45pm

Signed as a true and correct record
