

**MINUTES OF MEETING OF WALLERAWANG QUARRY
COMMUNITY CONSULTATIVE COMMITTEE
HELD AT 191 MAIN STREET, LITHGOW
ON 23RD JUNE 2011 AT 5.30PM**

PRESENT: Howard Fisher (Chairman), Les Bird, Lance Gillespie,
John McAuley, Clive Cawthorne.

APOLOGIES: Paul Curran, Brad Boyling

**BUSINESS
ARISING:**

Environmental Management Strategy was tabled with copies to each attendee. Members had been advised previously that the Strategy was available for review on the company's website. Questions were then asked of the company representatives.

The meeting was advised that the requirement of the pre – commencement audit fulfilled the conditions of the quarry's consent and was approved for commencement of the project.

Various aspects of procedures for CCC Meeting were discussed.

A new entrance from quarry site to highway – conceptual drawings have been lodged with RTA. Works Authorisation Document has been signed with RTA. Geotech study is currently being undertaken. Suitable visibility markers are to be installed.

A traffic management plan has been instituted for use of the temporary entrance opposite Barton Avenue.

Other aspects were mentioned:

- Commencement of construction of fencing
- An initial stockpile will be established
- Hawkesbury Nepean Catchment Authority are removing willows, Blackberries etc along river bank.
- House inspections will be carried out within a 2 km radius before blasting commences.
- Blasting procedures have to comply with conditions of approval and EPA licence.
- Silt traps have been cleaned out.
- There will be three (3) noise monitoring locations.
- Hours of operation are set out in the conditions of approval 2.2 and 2.3
- A bond has been lodged for rehabilitation.
