**MINUTES OF
PREVIOUS
MEETING:**

Minutes of the meeting held 19th May, 2015 were approved as a true and correct record. Moved: Lance Gillespie Seconded: Wayne Dukes

CHAIRMAN: Mr Paul Curran agreed he would act as a temporary Chairman until a permanent Chairman can be found.

It was resolved to contact Planning and Environment as to placing an advertisement for a Chairperson. Difficulty in finding a chairperson is being experienced.

**BUSINESS
ARISING:**

QUARRY OPERATIONS

Ray Sharwood informed the meeting of current operations including type of quarry product being produced and main customers product testing is carried out to meet RMS specifications.

Stabilised Road Base is being produced and it is hoped that sales of this product will increase as it is.

Inspection – It was considered that members of the committee contact Ray Sharwood individually for a time to suit for each member.

Lance Gillespie requires phone call when blast is to take place 0417468720. Blasting is within noise, air blast and vibration parameters.

The meeting requested that a chart of the blast monitoring be distributed to each member for future blasts.

COMPLAINTS REGISTER

No complaints have been received since the previous meeting.

ENVIRONMENTAL AUDIT

As required under the Development Approval an Environmental Audit was undertaken. The Independent Auditor put forward recommendations especially in relation to monitoring. These recommendations have been agreed to and are being enacted. Government Agencies such as EPA, Planning and Environment, Trade and Investment are regularly visiting the site.
